

Illustrated Phenology Wheel

Materials List

Adkins Arboretum

Please bring with you to this workshop:

Sketching paper

Helix Circle Ruler 12"

Pencil and Kneaded Eraser

Sakura Pigma Micron Pen, Black or Sepia, size 01 or 05

Small watercolor brush, such as Winsor & Newton Sceptre Gold, Round, Size 4

I will be demonstrating Winsor and Newton Watercolor Markers for this workshop. A Basic Tones Set of Six colors is available from Cheap Joes Art Supplies for less than \$25, which you can purchase if desired. You are also welcome to bring your own watercolor paints or color pencils if you would prefer to use those to add color to your illustrations. I will have some extra paints and pencils that can be borrowed as well. The watercolor brush I've recommended will be used with the Watercolor Markers, and/or with traditional watercolors.

Watercolor Paper will be provided.
