

# FIND THE ROAMING GNOME

IN HONOR OF FAIRYFEST, A FRIENDLY GARDEN GNOME WILL BE HIDDEN ALONG THE ARBORETUM'S PATHS EACH WEEK DURING THE MONTH OF OCTOBER. FOLLOW THE CLUES TO FIND OUT WHERE OUR ROAMING GNOME IS THIS WEEK.

*Winter's near, and so our gnome  
needs to find a sturdy home.  
Here he'll stay when cold winds blow,  
drinking tea through storm and snow.*

Remember: gnomes do not like to be touched! Please stand at a respectful distance when taking your picture with the gnome. To play along with others and let us know you've found our enchanted friend, be sure to add [#adkinsarboretum](#) to any social media posts.
