RULES

- The theme of the house may be anything you wish.

- **All fairy houses must appear to be made of natural components.** Hot glue, acrylic spray, twine, and other manmade items can be used but must be completely concealed by natural elements. No paper or other products that could melt in the rain.
- **Platforms or manmade support materials can be used** for easier delivery and transport but must be concealed with natural materials when installed onsite.
- Houses must be **portable (maximum dimensions 2' x 2' x 2')**. Please use a sturdy base (e.g., plywood) that can hold up if wet.
- Please do not use any items of value in the house, as Adkins Arboretum is not responsible for loss or damage.
- Please make sure your name and your house's name are clearly marked and attached to the house.
- **Fairy house creators must complete this submission form and turn it in with the house.**
- Fairy houses must be dropped off at the Adkins Arboretum Visitor's Center along with a completed registration form between 10 a.m. and 4 p.m. on Saturday, September 25 or between noon and 4 p.m. on Sunday, September 26. **Houses will be on display during Fairy Month, October 1–31.**
