

FIND THE ROAMING GNOME

IN HONOR OF FAIRYFEST, A FRIENDLY GARDEN GNOME WILL BE HIDDEN ALONG THE ARBORETUM'S PATHS EACH WEEK DURING THE MONTH OF OCTOBER. FOLLOW THE CLUES TO FIND OUT WHERE OUR ROAMING GNOME IS THIS WEEK.

*Cross the bridge and make your way
to the River Birch Allee.*

*There turn right and soon you'll see
a wee little chair by a tree.*

*Here sits the gnome in colors bright
right by the path, in plain sight.*

Remember: gnomes do not like to be touched! Please stand at a respectful distance when taking your picture with the gnome. To play along with others and let us know you've found our enchanted friend, be sure to add #adkinsarboretum to any social media posts.
